

## To apply for a DBS check with Writing West Midlands

Applying for a DBS check is a two stage process.

Stage One – you fill in the information on the online form (instructions provided below).

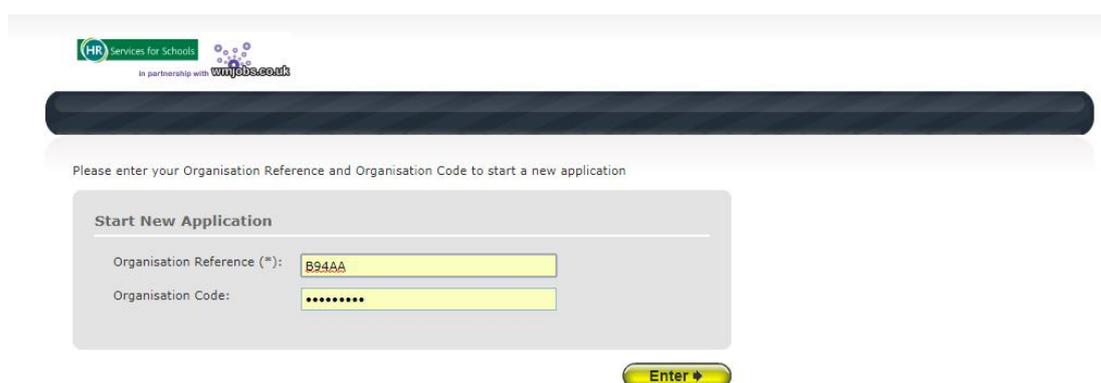

Stage Two, we verify that you are the person you claim to be on the form using the documents I have already seen.

They then issue you with a certificate. If you would like to avoid the need to apply for additional DBS checks in the future, you can sign up to the DBS Update Service for which there is a small annual charge. However, if you are going to do this, you need to sign up within a limited number of days of receiving the certificate. The instructions for signing up are provided with your new DBS certificate.

Visit <https://disclosure.capitarvs.co.uk/schoolshr/>

Click “Start Application” button (orange)

Insert organisational reference **B94AA** and the password **DBSCHECKS**. Then click **Enter** button.

The screenshot shows a web interface for starting a new DBS application. At the top left, there is a logo for 'HR Services for Schools' in partnership with 'www.dbs.co.uk'. Below the logo is a dark blue horizontal bar. Underneath the bar, the text reads: 'Please enter your Organisation Reference and Organisation Code to start a new application'. The main form area is titled 'Start New Application' and contains two input fields: 'Organisation Reference (\*)' with the value 'B94AA' and 'Organisation Code' with a masked value '\*\*\*\*\*'. A yellow 'Enter' button with a right-pointing arrow is located at the bottom right of the form.

Please read the Statement of Fair Processing and then tick the box to say you have read and understood the statement.

Statement of Fair Processing

Security Watchdog has worked closely with the Disclosure and Barring Service (previously CRB) to produce a new online disclosure system, e-Bulk, which is an alternative to the standard paper forms, therefore allowing you to complete your application at any location with internet access.

Our online service is committed to protecting the privacy of our users. When you supply any personal information to this site we have legal obligations towards you in the way we deal with your data as follows:

1. We will hold your personal information on our systems for as long as needed to meet the service you have requested, and remove it in the event that the purpose has been met.
2. We will ensure that all personal information supplied is held securely, in accordance with the Data Protection Act 1998.
3. We will provide a safe and secure experience for users of this site.
4. We will ensure that the information you submit to us remains private, and is only used for the purposes set out below.

- Your information is protected from unauthorised or accidental disclosure.
- Inaccurate or misleading data will be corrected as soon as possible.
- Procedures are in place for dealing promptly with any dispute.
- All information held following a Disclosure will be securely destroyed when no longer required.
- In line with section 7 of the Data Protection Act you (the applicant) will be provided with a copy of any information we hold on you, on request.

All information requested is used solely for the purpose of producing a Disclosure and Barring Service certificate and is collected, stored and processed by Schools HR DBS Service (Birmingham City Council) and the Criminal Records Bureau in accordance with the Data Protection Act 1998. We will treat your personal information as confidential and we will not disclose it to any third party except:

Completed applications are fully encrypted and securely transferred to Disclosure and Barring Service using the e-Bulk interface.

The Disclosure and Barring Service will refer the details provided on this application form to government and law enforcement bodies in accordance with any relevant legislation. The details provided to these bodies will be used for identifying possible matches to records held by them. Where such a match is established, data may be released to the DBS for inclusion on any certificate issued. The details provided on this form may be used to update the records held by the bodies specified above. The details provided on the application form may be used to verify your identity for authentication purposes. You will now see the application pre-entry statement; this gives concise information in regards to the requirements by the DBS regarding acceptable identification in support of your DBS application.

A key requirement of the Certificate process through the Disclosure and Barring Service (DBS) is for your identification to be verified by the organisation requesting this Certificate on you.

If you do not hold at least one of the identification documents listed below you should seek clarification from the organisation requesting this Certificate on you prior to starting your application as you may not be able to submit your application online.

- Current valid Passport
- Biometric Residence Permit (UK)
- Current Driving Licence (UK, Isle of Man/Channel Islands) (full or provisional)
- Birth Certificate (UK & Channel Islands) - issued within 12 months of your date of birth

Sometimes, we might be required to undertake an External ID Verification Validation check. If so this is undertaken independently and may require your consent.

Please read the document DBS list of acceptable identification for details about the identification we require. You can get further guidance about the DBS Certificate process at [www.homeoffice.gov.uk/dbs](http://www.homeoffice.gov.uk/dbs).

Please note, only English language applications can be submitted online - Welsh language applications must be submitted using the paper application route. If you require your certificate to be produced in the Welsh language please do not continue with this online application and contact the organisation requesting this application on you as a Welsh language application form must be completed and submitted to the Disclosure & Barring Service.
